

Dear Member,

Yarra Courses Reciprocity

The old reciprocity agreement among Yarra Courses expires at 31 December 2010, and is being replaced with the **Yarra Courses Golf Access Card**. The new agreement offers members a greater level of flexibility and access to each course, however a nominal fee of \$20 per round now applies.

The card allows 5, 6 and 7 day category members of participating Clubs the opportunity of playing up to three (3) rounds at each of the other six Yarra Courses during the 2011 year. Upon renewal of your membership each year, a new card will be issued for the next twelve months.

How does it Work?

1. Book up to four fellow members (card holders) in accordance with the course access guidelines (see next page);
2. Upon arrival to play each player is required to present their card together with their GolfLink card to staff at the Golf or Pro Shop (Please note some Clubs may require additional ID such as drivers licence);
3. Pay the appropriate fee of \$20. Competition fees are at the discretion of each Club and may vary depending on the day.

Yarra Courses Golf Access Card

Once the three (3) rounds on your card have expired, some Clubs may permit on-going access to Yarra Courses Members. Please check with each Club when booking as different access rules and fees may apply. Subject to availability, some Clubs may permit Yarra Courses Members to introduce a guest. Please check with each Club when booking as different rules may apply.

This is a great opportunity to enjoy playing on other Yarra Courses during the year. Please collect your **Yarra Courses Golf Access Card** from reception which you will be required to present upon arrival to play at each participating Club.

We hope you take the time to enjoy the other courses in the Yarra group.

Kind regards,

Terry Hawking
General Manager
